

Firstly I have had some feedback via various channels that some people are unhappy about signing up for social sessions. This is a requirement we have in order for social sessions to run. It can't be on paper at the club for the obvious reasons so has to be digitally run. This isn't something which will be here forever but it will be until we no longer have to keep a record of who attends the club and when.

We have increased the amount of spaces at the sessions so there shouldn't be any problems with them being full (except for Saturday's until the end of July as this is two courts until then so still has a limit.) You can sign up on the day of the session, or on the way there if you want to be spontaneous.

To cater for different standards of play Sunday social is for the more advanced players, with the other 5 sessions of the week being open. If you are unsure of which session might be most suited to you please check out the Which Session Is Right For Me? chart on <https://www.roundhaytennis.org.uk/social-and-competitive-tennis>. This is also where you sign up for the social sessions.

A reminder that to play at the club you need to be a member, if you bring a visitor then they must pay £5. This is NOT optional. You must add them as a participant when you book the court. If you are unsure how to pay please email [roundhaytennis@gmail.com](mailto:roundhaytennis@gmail.com) and one of the committee will get back to you - we are not accepting cash.

Adding who you are playing with is required ALL the time whether you are playing with non-members or members. You have to book your court through the website NOT the app as this hasn't that functionality yet. Again this is not to be awkward, it is a requirement of us being Covid Secure. Your cooperation with the hard work we are doing to make tennis playable at the club is appreciated.

We are not going to be running club tournaments this year so please do enter the singles or the doubles ladders. There are a number of people on there now it would be great to have some more! The instructions on how to do this can be found on this link. <https://www.roundhaytennis.org.uk/tennis-ladders>

Any questions please get in touch
