

A reminder of current protocol for attending social tennis.

1. Sign up via the website

If the session says FULL then the maximum number has been reached and you cannot attend. If the session says CLOSED then it is because it is due to start, if this is the case you can email [roundhaytennis@gmail.com](mailto:roundhaytennis@gmail.com) requesting to be added to the session.

2. If you sign up and then can no longer attend you must email [roundhaytennis@gmail.com](mailto:roundhaytennis@gmail.com) stating the session you are cancelling. It's really important that we keep accurate data on who is attending for Track and Trace.

3. You MUST sanitise your hands on arrival at the club before entering the courts. If you are moving from one group of people to another then you should sanitise your hands again.

4. For social sessions and coaching there is a one way system for in front of the clubhouse. You should not be passing anyone on this corridor as this cannot be done with safe social distancing. If entering the bottom courts you should go round the back of the clubhouse and exiting the bottom courts in front.

5. Safe social distancing is 2 meters, please stick to this. Especially being aware when switching ends and moving between courts.

It is really important that these guidelines are followed as if they aren't then numbers will have to be limited further in order to ensure that we are Covid Secure.

Some of our social sessions have upwards of 20 people and if we were to have to activate track and trace that would require all of those 20+ people to isolate. We will be reviewing how socials are running in the next few weeks to see if our current system is sufficient.

There have been some clubs in other parts of the country that have had fines and been closed for not following Covid Secure procedures. We are only allowed to have social sessions if we follow these guidelines.
